2021 Menu

Hospitality menus

We understand how important catering is at any event. Whether you're hosting a gala dinner, a working lunch or a canapé reception, our renowned in-house caterers CH&CO. will create & serve fabulous, freshly-prepared food & drink to delight your guests.

From plant-based dishes to gluten or dairy free, our chefs create delicious, bespoke menus that support specific dietary requirements & lifestyle choices.

Wellbeing

With taste & wellbeing at the heart of everything they do, our chefs use only the finest seasonal ingredients & their British-influenced menus are both innovative & nutritious. They expect suppliers to adhere to the same high ethical & sustainability standards as themselves & source local produce wherever possible. Dishes marked with a (w) indicate wellbeing choices; these may be low in saturated fat or have reduced sugar or calories.

Catering for sustainable events

In 2018, CH&CO. became the largest & most diverse contract caterer to be awarded the top-level three-star Food Made Good rating by the Sustainable Restaurant Association (SRA), *"The actions we take today have consequences for our children & grandchildren's future on this wonderful planet, that's why CH&CO. takes a long-term approach to operating in a socially responsible, sustainable way; it's part of who we are."*

With a history of hospitality, we encourage you to let food be the talking point of your event & look forward to welcoming you to BMA House.

We are reopening after Covid-19 in line with the latest government guidance. Please talk to your planner about ways we can adapt this menu and style of service to best suit both your event and government guidelines.
