## WINE WITH A CONSCIENCE

### ORGANIC | BIODYNAMIC | SUSTAINABLE

Organic wine is made from grapes that were farmed organically. Biodynamic wine goes beyond organic practices in an effort to balance the entire vineyard with nature and the moon cycles. Sustainable practices are based on farming that is not only good for the environment, but also makes economic sense. As consumer demand grows for wines aligned to a more responsible philosophy. We have been scouring the wine-producing world to ensure we have a wide range available. We will now be offering a variety of organic, biodynamic, sustainable and vegan wines on our Wine with a Conscience wine list.
