Welcome to BMA House

Our historic London venue offers a beautiful backdrop to a whole host of events including conferences, parties, weddings, awards ceremonies & meetings. BMA House in Tavistock Square is a stunning, Grade II listed building which was designed by Sir Edwin Lutyens in 1911 & has been home to the British Medical Association since 1925. Our wide range of spaces offer guests an inspiring environment in which to meet, work & mingle. We also have two large outdoor areas – an impressive Courtyard & a tranquil botanical Garden – a rare find for such a central location.

Working in partnership; BMA House & Company of Cooks have created a menu that whilst fulfilling all your event needs also puts sustainability at the heart of what we do, so for example our menu is over 70% plant based & we have removed most red meat from our menu pack.

With a history of hospitality & award-winning sustainability, we look forward to welcoming you to BMA House.

We’re more than just a company of cooks

We’re in every detail of your event. From artisanal snacks & incredible canapes, to memorable dinners. From hand-picked wines to stylish design.

Everything is overseen by our amazing team of chefs, wine experts, event sales team & operators to ensure your experience stands out. Getting to know you & your plans gives our team the power to craft moments & memories that last.

Our obsession with Craft, Creativity & Community drives everything we do, because we believe that amazing food, drink, & service sit at the heart of every guest experience & that when those three elements come together, something very special happens.

Our commitments to people, place & planet

What we do...

Our focus as a business is bringing handcrafted food & drink to the table each & every day, while simultaneously supporting the communities we work with. Employment opportunities for local people, sourcing from our hand-picked larder of artisan suppliers, & an absolute focus on minimizing the impact of our operations on the planet are key objectives of every partnership.

Our commitment is clear throughout this menu brochure: we are proud to exclusively offer the very best in British meat & cheeses; none of our fresh produce is transported by air freight, & the fish we purchase & serve will be rated MCS 1,2,3. As a wider business, we aim to be net zero by 2040.

In short, this means providing great food, drink, & service that has a meaningful & lasting impact on the people & places we work with & for – all the while safeguarding the planet for future generations.

We’ve built an incredible London larder of boutique suppliers who share our belief in craft & the importance of quality & provenance. We’ll be calling on some of our brilliant local partners to help create something amazing for your next event!

FOOD STATIONS
Minimum numbers of 50 apply

Market food stations offer a creative addition to larger canapé or bowl food receptions. They provide an opportunity for your guests to interact with our chefs, watch their food being created & enjoy the sense of theatre involved in its preparation. Our head chef has developed these themed menus & food stations from around the world. Some suggestions are given here, but we have many more ideas to suit your event, please just ask.

Our food stations can also be a great alternative to a traditional seated lunch or dinner providing an interactive experience where our chefs will serve your guests from market stalls to provide a real sense of theatre & occasion. We will also circulate the food options around the room, ensuring that all your guests experience what each food station is offering.

Allergens

Do you have a food allergy or intolerance? We provide allergen information on the 14 major allergens.

Please speak with your event planner, & details of allergens in any of our dishes can be provided for your consideration.

At your event there will be an Allergen Folder located at all buffet stations on your event catering floor to make delegates aware of all allergens contained in your chosen menu & help them make an informed decision.

Please note, as with every catering establishment, there is always a potential for cross-contamination to occur. While we endeavour to prevent this as much as possible, the nature of an allergen means we cannot fully guarantee that cross-contamination may not have occurred. We encourage our customers with food allergies & intolerances to let our staff know, so we can better cater for them. We are happy to provide further detail on ingredients & how they were handled to allow you make an informed decision as to whether or not the food is suitable for you.

If you have any concerns please speak to a member of staff
