# Fun in the sun

## Join us this summer at BMA House for an unforgettable, sustainable summer party in the heart of Bloomsbury

**This year we invite you to experience some fantastic food & delicious drinks in one of our two outstanding outside spaces – the Courtyard & the Garden.**

We are incredibly lucky to be able to enjoy the open air and sunshine within the walls of BMA House. Our larger space, **the Courtyard**, is the central point of our beautiful building and although just off Tavistock Road, once you have stepped through the wrought iron Gates of Remembrance and you are inside the Courtyard, the hustle and bustle of central London melts away into the background. Featuring a water fountain in the centre dedicated to those who lost their lives in WWII, the Courtyard is steeped in character and history as well as being a suntrap for you to spend your event of up to 320 guests.

Our more intimate outside space, **the Garden**, is a tranquil area with over 32 medicinal plants, a fishpond and an abundance of other flowers and trees. This relaxing secret space is perfect for your smaller summer party of up to 90 guests. Did you know... Charles Dickens' home used to sit on the site of our Garden and we have a commemorative wall containing some of the original bricks from his house!

So, what are you waiting for? Come and mingle with friends & colleagues in the summer sunshine and let your competitive side out as you play our garden games!
