

Sustainable events at BMA House

BMA House has long recognised the importance of sustainability and how our actions impact those we serve. Placing sustainability at the heart of what we do provides long-term benefits for human health and wellbeing.

Here are just a handful of areas where progress has been made in our journey to net-zero.

Catering

We work with our catering partner, Company of Cooks, to make our catering offer more sustainable.

Set menus,
minimising
waste, cost
savings to clients

Zero food waste

Leftovers reused or made
into biofuel & fertiliser

Delegate carbon
footprint
**reduced by
69%** since 2018

Locally sourced,

seasonal produce,
ripened flavour
quality

Herbs grown
in our **Garden**
used in our
kitchens

Energy monitoring

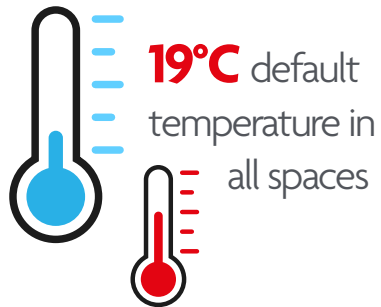

We are actively monitoring our energy usage & devising plans to reduce usage without affecting customer satisfaction.

Water usage reduced
by **5.4 million**
litres per year

0% to landfill status

Gas, fuel and electricity strictly
from **renewable sources**

Building
refurbishment &
replacement of
our **heating/
cooling
systems**

**Transport, location,
property &
infrastructure**

Despite the challenges we face being Grade II listed, we remain committed to improving our infrastructure through our 'BMA Carbon Neutral Pathway'.

40%+
BMA staff
cycle to work

**EV charging
points** installed

Biodiverse
landscaping in
our Courtyard
and Garden

Plastic
free
events

57% less pollution

Clean air walking route from
King's Cross to BMA House

Social welfare

We look after our staff
& contribute to the
local community.

Furniture

sent for
community
use in schools

Involvement in
charitable giving

Hosting industry
panels to promote
sustainable events

**Complimentary
carbon tracking**

of events to help reduce emissions

Recruiting
eco-minded staff

Award-winning
sustainability staff
engagement programme

Awards & accreditations

Our team lives, eats and breathes sustainability – it has made us and our venue healthier and a better place to be & we love to share that success.
