Our venue

An award-winning, sustainable, Grade II listed venue in the heart of Bloomsbury, offering modern weddings with heritage.

Our stunning grade II listed building was built in 1911. It is located in the heart of London on the site of Charles Dickens' former home and boasts bags of character and charm. We have created the perfect balance of retaining its heritage and unique characteristics but updated it to a stylish and modern space with sustainability at its heart.

We have a spectacular selection of spaces, five of which are licensed for weddings: Great Hall, Snow room, Paget room, the Courtyard (outdoor space, our newest addition) and the Prince's room, so we are able to provide a magical setting for every part of your special day. However, our true secret lies within our beautiful and romantic outdoor spaces – the Courtyard and Garden. Both areas provide the perfect setting for a drinks reception and for capturing those all important photographs.

We place a great emphasis on helping you create and design your perfect day, a dedicated wedding planner will be with you every step of the way.

“The courtyard and garden combine both urban and natural beauty. The botanical plants and pond were some of the highlights as it gave a magical backdrop in our photos.”

S & T

Outdoor ceremonies & the courtyard

What better way to say 'I do' than under glorious blue skies, surrounded by those you love in the heart of our enchanting Courtyard!

Picture saying your vows next to our beautiful fountain, friends & family smiling in the sun and a live string-quartet playing in the background. Located in the heart of BMA House, our newly licensed Courtyard means you can now tie the knot outside, accommodating wedding ceremonies for up to 120 guests.

With a number of locations your photographer can get those all-important shots, and two charming balconies for that ultimate 'Romeo and Juliet' moment or a bouquet throw, the Courtyard offers endless possibilities for a truly memorable day.

The fun doesn't have to stop there...continue your outdoor celebrations and allow us to serve drinks & canapés to guests in this stunning outdoor space, or you may wish to move through to our second outside area, the Garden, for an entirely different environment (maximum 90 guests).

Take advantage of the space further and hold your wedding breakfast in the Courtyard too! Long tables look stunning framing the fountain for a wonderful al fresco feast! The options are endless, but you'll always be supported by our wonderful team of wedding planners who'll be by your side every step of the way to help create the outdoor wedding of your dreams!

Prices start from £6,600.

FAQs

Can I provisionally hold the date?

Sure! We can provisionally hold for two weeks whilst you and your partner make the all-important decision on your venue. We would advise a visit to view the venue before or during this time. Please note, we only hold dates if requested.

Do I have exclusive use of the venue?

Exclusive hire is an option, however as standard we will only book the spaces discussed with you, as suitable to your requirements and included in your package. We may hold a small meeting or internal event on the same date, which are kept completely separate to your celebration. Please speak to your wedding planner to discuss options and prices if exclusive use of the building is required.

Can I bring my own caterers?

We offer a dry hire option for £14,000 including VAT. Please see page 11 for more information.

Do you have 'getting ready' rooms?

We do not have accommodation on-site so we do not have any dressing rooms but we have a number of other event spaces that can be hired for an additional fee. Speak to your wedding planner for options.

Can I extend the hire?

We can apply for a limited number of late licenses with the local Council a year to extend the finish time to 01:00. The cost is £1,800 including VAT. Subject to approval.

Is there anything not included that I should be aware of?

We include as much as we can within the hire and packages for a magical day from start to finish. There are no hidden costs you should be aware of, and all staff, security, VAT and other running and operation costs are included so you won't get a surprise bill at the end. If you wanted to add something that's not listed in the packages or hire, then this can be arranged and may be at additional cost.

"Thank you for making our wedding one of the best days of our lives. Your planning was exceptional and I couldn't have asked for a better planned wedding."
